## „LIFE IS TOO SHORT TO DRINK BAD WINE“

In the GRAPES Winebar at the Cortiina Hotel, every wine lover can feel like being in paradise!

Right in the heart of Munich, the guest not only enjoys real rarities in the glass, but is also often surprised as an experienced connoisseur with a varied range of wines from all over the world. Not only the wine professional feels comfortable in the elegant and casual wine bar, but also wine beginners and occasional drinkers can enjoy a good sip and a fine bottle.

The friendly sommeliers and events, such as the Winemakers Night or the Sommelier Series, make the GRAPES a lively place for long evenings and pleasant hours.
